

The 24th Annual Andrea Holden Thanksgiving Race will be held on November 30, 2024. The Andrea Holden Foundation is a 501c3 non-profit organization dedicated to the health and wellness of the children of the mid-Cape area. This non-profit race is held in the memory of Andrea Holden who died suddenly on November 27, 1990 after celebrating her 7th birthday in Dennis. We are asking that you assist our efforts by donating to this year's Thanksgiving race. 100% of the donations will be used directly to fund our projects. We graciously accept your tax deductible donation throughout the year to benefit the children of our community. Last year our major projects of support were The Challenger's Club and Calmer Choice. Other programs we have supported include Dream Day of Cape Cod, The Baby Center, and

the Good Grief Program. Please visit [www.andreaholden.org](http://www.andreaholden.org) to see the numerous projects that we support the children in our hometowns. We appreciate your consideration!
